Note:

1 All scholarship students must submit necessary documents and complete the preferred program form at the Admission office by Wednesday (2:30 PM on 2081-08-05). The first list students must complete their admission by 2081-08-10.

2 Preference Rule:

a) Only one scholarship will be granted for each program.

b) The scholar student with the highest marks will have the first choice of program. Likewise, the student with the second highest marks will have the second choice, and so forth.

c) The preference for waiting list will be applicable only upon available of programs not selected by the first list candidates.

3 If there are any claims or objections regarding the published scholarship result above, a written application should be submitted to the administration within two days of the result being published.
